Message from Nathan

Nathan Williamson VicePresident

To all the wonderful volunteers, families and friends of our community

Welcome back to Term 3 and we hope you had a relaxing school holiday. As we look towards the end of the year we have some exciting school activities and sports events coming up.

I would like to take the opportunity to promote a fantastic fundraising initiative the College Cookbook. This would be a great Christmas gift as the cookbook will be ready in November. The title of our book "AROUND OUR TABLE" is symbolic of the awesome families and friends we have here at the school illustrating family life and skills discussing any issues or celebrations around the dinner table.

Recipe submissions are free

Your name and memory with the recipe submitted will be featured in the book. This is a great opportunity for families or businesses to sponsor a page and/or publish a business advertisement to promote their business. If you know of any businesses who would like to broaden their advertising by sponsorship in this book we would love to hear from them.

Any successful project needs the support of the wider community behind them and by word of mouth this could be a memorable achievement.

We would appreciate the help of more volunteers at another great event 17 - 20 Aug: "Beauty and the Beast" school musical Canteen. Please contact us by email...

Thank you for your support and help over the last six months, it is greatly appreciated and we are looking forward to building greater relationships as a school and wider community.

Nathan Williamson

About us ...
