WELFARE AND ACCOMMODATION POLICY

Visa condition 8532 requires that under 18-year-old students maintain suitable accommodation, support and general welfare arrangements. Under 18-year-old students may stay with a parent or suitable relative approved by the Department of Immigration or, if this is not possible, they may stay in accommodation approved by their education provider.

It is a policy of Citipointe Christian College and Citipointe Christian College International that students over 18 will likewise maintain approved and supervised accommodation for the duration of their studies in the College.

Care for younger students under 18 years

Citipointe Christian College and Citipointe Christian College International (henceforth referred to as CCC and CCCI) is a CRICOS-registered provider which enrolls younger students under 18 years of age. As part of its registration obligations CCC and CCCI must satisfy Commonwealth and state legislation, as well as any other regulatory requirements, relating to child welfare and protection for any overseas student enrolled who is under 18 years of age.

These obligations include ensuring that all overseas students under 18 years of age are given age-and culturally-appropriate information on:

- who to contact in emergency situations, including contact number/s of a nominated staff member, and
- how to seek assistance and report any incident or allegation involving actual or alleged sexual, physical or other abuse.

CCC and CCCI has documented procedures relating to child welfare and safety, and will implement these procedures in the event that there are any concerns for the welfare of a student under 18 years of age.

In the event of an emergency, the students are to contact:

- Homestay Coordinator and/or Head of International
- Student Protection Officers and college counsellors (if during school hours)

Accommodation and care options for overseas students under 18 years

CCC and CCCI approves the following accommodation and care options for overseas students:

1. The student will live with a parent or relative approved by the Department of Immigration.

In this case:

- i. The College does **not** provide a welfare letter (CAAW) via PRISMS. The student's family completes Form 157N and provides proof of relationship to the Department of Immigration at the time of visa application for approval of these arrangements. The Department of Immigration must also approve any further change of welfare arrangements.
- ii. If the adult responsible for the welfare, accommodation and other support arrangements for a student under 18 years holds a Student Guardian Visa (subclass 590), all obligations and conditions of this visa must be met, including:
 - not leaving Australia without the nominating student unless there are compassionate and compelling circumstances and the College has first approved alternative welfare and accommodation arrangements for the student for the adult's period of absence, and
 - advising the Department of Immigration of any change of address, passport or other changes of circumstances.

Citipointe Christian College requires holders of Student Guardian Visas to:

- i. maintain Overseas Visitor Health Cover for themselves and any dependent children living with them in Australia
- ii. immediately advise the College of any change to address or contact details
- iii. immediately advise the College if there are any compassionate or compelling reasons to travel overseas or not be at home to care for the student.

If there is a valid reason for travelling overseas, and the College is able to approve alternative accommodation and care arrangements for the student for the period of the student guardian visa holder's absence, the College will provide documentation approving temporary care arrangements for the student to the student's guardian and for the Department of Immigration via PRISMS.

If there is not a valid reason for travelling overseas, or if the College is not able to approve alternative accommodation and care arrangements for the student for the period of the student guardian visa holder's absence, the student will need to travel overseas with the holder of the student guardian visa. In this case, the College will advise if compulsory attendance requirements will or will not be affected by the student's absence.

2. The student will live in College approved accommodation and welfare arrangements and Citipointe Christian College will generate a welfare letter (CAAW) via PRISMS to accompany the student's Confirmation of Enrolment (CoE).

Accommodation options that may be approved by Citipointe Christian College for full fee paying 500 (formerly 571) visa subclass students under 18 years of age include:

- i. Homestay Program operated by Citipointe Christian College International
- ii. Private accommodation and care arrangements, requested by the parent and approved by the College, which meet all requirements under relevant state and commonwealth legislation.

Citipointe Christian College will maintain approval of accommodation and care arrangements until:

- i. The student completes the course and departs Australia
- ii. the student turns 18 years, noting that a student over 18 years old must still remain in College approved accommodation until the completion of the course
- iii. any appeals processes in relation to Citipointe Christian College's intentions to cancel the student's enrolment have been finalised (including suspensions, cancellations, course progress and attendance)
- iv. the student has alternative welfare arrangements approved by another registered provider
- v. a parent or nominated relative approved by the Department of Immigration assumes care of the student
- vi. Citipointe Christian College has notified the Department of Immigration that it is no longer able to approve the student's welfare arrangements and has taken the required action after not being able to contact the student.

Any accommodation, welfare and other support arrangements for the student must be approved by Citipointe Christian College International, including arrangements provided by third parties.

Accommodation and care arrangements are checked prior to approval and at least every six months thereafter to ensure they are appropriate to the student's age and needs.

Any adults involved in or providing accommodation and welfare arrangements to the student have a blue card as appropriate (<https://www.bluecard.qld.gov.au/>).

Any changes to approved arrangements must also be approved by the College. Visa students are not permitted to attend "schoolies week" on completion of Year 12.

If a student cannot be located and the College has concerns for his/her welfare, the College will contact the student's parents / legal guardian and notify the police and any other relevant authorities.

If a student for whom the College has issued a CAAW refuses to maintain approved arrangements, the College will report this to the Department of Immigration and advise the student to contact the Department of Immigration to ensure visa implications are understood. (See Department of Immigration office addresses at: <http://www.border.gov.au/about/contact/offices-locations/australia>).

In the event of a significant or critical welfare issue involving the student, and if determined necessary by the College, a parent, legal guardian or approved relative agrees to travel to a designated location within 3 days to assume care of the student until the situation has been resolved to the College's satisfaction.

If a parent / nominated guardian wishes to assume welfare responsibility, the parent / nominated guardian must notify the College as soon as practicable of their intentions and must provide the College with written evidence of a guardian visa grant.

3. **For College vacation periods, students under 18 years of age for whom Citipointe Christian College has issued a CAAW will:**

 - iii. apply for approval to spend the vacation with relatives, or
 - iv. apply to attend a supervised excursion, camp, etc., if all requirements are met in order to attain College approval.

4. **Accommodation options for students 18 years and older must maintain College approved accommodation for the duration of the course:**

6. Homestay arrangements at Citipointe Christian College:

The homestay arrangements operated by Citipointe Christian College meet Queensland legislative requirements for child protection as well as Standard 5 of the 2018 National Code of Practice for Providers of Education and Training to Overseas Students.

These include

- i. Continuous dates for approved welfare arrangements
- ii. Documented procedures for checking suitability of accommodation, support and general welfare arrangements before a student is placed in an approved arrangement, and at least every six months thereafter, covering
 - Guidelines for selecting, screening and monitoring each family and ensuring the family can provide age appropriate care and facilities for the duration of the student's enrolment at the College

 - Orientation program for families new to provision of homestay services
 - Compliant homestay risk management strategy, reviewed annually, undertaken by the College
 - Blue cards as required for adults living in the homestay, other than overseas students, or who otherwise have regular contact with the student

Note: A student/family must not change any of these arrangements without the written approval of the College. A student is required by the Department of Immigration to always advise of any change of address. The College asks students to confirm their contact details, address and local emergency contact details every six months.
