

The following online references contain jobs and career information that may help students with career pathway planning. Click on the headings to open the links to these pages.

- [**Apprenticeships Info**](#)
A "one stop shop" for information on apprenticeships and traineeships in Queensland.
- [**Australian Apprenticeships Pathways**](#)
Find out where Australian apprenticeships are available and follow links to job pathways charts and job descriptions.
- [**Australian JobSearch**](#)
One of Australia's largest free online job websites. It helps job seekers find jobs and career information.
- [**Career Bullseye posters**](#)
Posters linking 30 school subjects with potential jobs and information about the education and training levels required.
- [**CareerOne**](#)
Job listings, career advice, job hunting tips and company profiles designed to help you with your job search.
- [**Group Training Australia**](#)
Information about traineeships and apprenticeships available through Group Training Australia. Includes video from Australian apprentices about their experiences.
- [**Hobsons Course Finder**](#)
Guide to education, training and career pathways in Australia.
- [**JobAccess**](#)
Comprehensive information relating to the employment of people with a disability.
- [**Job Guide**](#)
Provides an in-depth look at a range of occupations, and their education and training pathways. It also gives useful information about how to work out what occupations suit you best, based on your interests and abilities.
- [**Job Outlook**](#)
A careers and labour market research information site covering around 350 individual occupations. Includes an interactive CareerQuiz that helps you identify what types of work you most like doing and matches these to occupations you are most likely to enjoy or be good at.
- [**myfuture**](#)
Australia's free career information and exploration service. It can help you explore career options based on your skills and interests, and find information about occupations, and the further education and training required for each job.
- [**MySkills**](#)
Australia's directory of training - connecting students with employers and training organisations that best suit their needs.
- [**MyUniversity**](#)
MyUniversity provides students with a broad range of information about Australian universities and other higher education providers.
- [**Queensland Skills Gateway**](#)
Information on vocational education and training available across Queensland including courses, training providers, government funding and career pathways. The site features a simple questionnaire to help individuals find out if they are eligible for government subsidised training.
