International

Year Abroad Program

At Citipointe we tailor a unique program for each student in the Year Abroad Program. On arrival students are welcomed at the airport by our friendly Homestay Coordinator who takes them to meet their homestay family. On their first day at school they have orientation and English tests and are placed into an intensive English class suited to their level of English. When their English reaches an intermediate level, a Secondary school subject with local students is added to their program. As their English continues to develop, the number of Secondary school subjects they have increases.

Features of the program:

- ✓ Complimentary airport pick up
- ✓ Welcome and orientation
- ✓ Homestay with a Citipointe homestay family
- ✓ Intensive English classes
- ✓ Secondary school classes
- ✓ Daily morning tea & lunch on the Secondary school campus with local students
- ✓ Weekly sport, assembly and chapel with local students
- ✓ Progress reports at the end of each 10 week term
- ✓ Academic transcript at the end of the program
- ✓ Flexible start dates

Semester Abroad and Term Abroad programs are also available.
