Ongoing support

We pray for our current and past students that they continue to press in to God's will and wisdom and glorify Him in all their life choices and actions. The Careers and Pastoral Care services are always open for present, past and prospective students to discuss those critical life choices that need to be made to stay in God's will.

Career and Transition Services				
Year 9 Career Profiles and Careers Expo	Year 9	Director of Student Care		College staff, at all levels, provide guidance to assist students to transition from school with a healthy understanding of their career as a lifestyle and ministry choice. Our prayer is that our students see their faith as foundational and that they develop and refine their talents on leaving school so that they can influence their community and the world for good. During Years 9 to 12 students are presented with many opportunities to explore their talents and recognise their capabilities. We take pride as a College in our efforts to support the individual student's career needs from resources within and outside the school and we acknowledge that parents play an even greater role and influence on the student's career and lifestyle choices.
