

Citipointe Christian College
THE CHRISTIAN OUTREACH COLLEGE BRISBANE

CITIPOINTE GLOBAL OUR INTERNATIONAL STUDENT OUTREACH PROGRAMS

| DISTINCTIVELY CITIPOINTE |

Citipointe's Global Academy, our international student outreach program (ISOP), is about developing leaders who have the integrity, wisdom, passion and vision to succeed in the global environment and serve Christ and the nations.

ISOP defines outreach to include, and focus on, leadership development. We believe our young people can best serve if they have an informed Christian worldview that appreciates cultural differences.

ISOP is different from other outreach programs. It encourages students to acquire the leadership skills necessary to succeed in the global environment and serve Christ and the nation.

The program has two components:

- ❖ Citipointe students at home
- ❖ Citipointe students abroad

Citipointe Students at Home

Citipointe students do not have to travel abroad to have an international experience:

- ❖ Citipointe students have the opportunity to get to know young people from other cultural and ethnic backgrounds in a holistic, natural way, having international students on campus studying alongside them.
- ❖ Citipointe's International students may study an intensive English program in the International College or, when their English is of sufficiently high standard, study in the mainstream College. Either way, all Citipointe students have the advantage of having an international experience right here on campus.
- ❖ Citipointe students have opportunities to nominate as student ambassadors. They may act as "buddies" to international students, meeting them regularly and helping them to feel welcome and to understand Australian culture.
- ❖ Most importantly, Citipointe has links with a number of high quality schools in Singapore, Hong Kong, Japan, Korea and China and from time to time hosts their students on the Citipointe campus.
- ❖ Citipointe also hosts students and teachers on Short Term Study Programs conducted by the International College.
- ❖ Citipointe families may elect to have an international student experience right in their own home through providing hospitality by way of our highly respected homestay program.

Citipointe Students Abroad

Citipointe students have unique opportunities to access high quality experiences through our network of international relationships developed over many years

❖ **In collaboration with Hwa Chong Institution Singapore: International Student Leadership Conference**

Open by invitation only to high academic achievers. The purpose is to take part in intelligent, round table debate in an international context. Students prepare thoroughly beforehand.

❖ **In collaboration with Hwa Chong Institution Singapore: Special Projects Week**

Open by invitation only to high academic achievers. The purpose is to become familiar with the quality of student work that can be produced by competitive, motivated students, to contribute to future development of project work at Citipointe, and to foster joint participation in projects with HCI students.

❖ **Humanities Research Symposium for Youth in collaboration with Hwa Chong Institution Singapore and Diocesan Girls School Hong Kong**

Open by invitation only to high academic achievers. This is an **award-winning program** of international student collaboration involving Hwa Chong Institution Singapore, Diocesan Girls School Hong Kong, and Citipointe Christian College Brisbane. A Korean school will join the group in 2016 for the first time.

Students present research papers in the humanities, debate around a theme, listen to lectures from tertiary academics and engage in debate and questioning at a deep level.

❖ **Cambridge summer program**

Open to students interested in participating in a summer program at Churchill College Cambridge University, where they will have a foretaste of university life in the Oxbridge tradition.

❖ **Curriculum and cultural tours**

These are organised by Secondary departments.
