

Citipointe Christian College
THE CHRISTIAN OUTREACH COLLEGE BRISBANE

CITIPOINTE EXTRA OTHER CAMPUS PROGRAMS

| DISTINCTIVELY CITIPOINTE |

EXTRA CURRICULAR is the term we use to describe activities available to Citipointe students that are outside the normal hours of school or outside the normal program.

215 Squadron Australian Air Force Cadets at Citipointe <http://www.215sqn.aafc.org.au/node/21>

Since 2015, an Australian Air Force Cadets (AAFC) program has been based at Citipointe Christian College. The AAFC is a youth-oriented organisation that is administered and actively supported by the Air Force with the aim of developing young people in leadership and good citizenship in an aviation-oriented environment. Through regular weekly parades each Monday evening between 5:45 and 9:15 pm and planned weekend and school holiday activities, the SQN offers leadership, self-reliance, confidence, teamwork and communication.

Citipointe Swimming Club <http://www.citipointe.swimming.org.au>

Citipointe Swimming Club provides opportunities for families to come together in a healthy environment around the sport of swimming to compete, train and have fun. Club nights are held every Wednesday in Term 4 and Term 1. Club nights begin at 5.45pm sharp and normally finish no later than 7.15pm.

Our club is open to swimmers from all schools and of all ages and abilities. We are registered with Swimming Queensland/Brisbane Swimming Association, providing our swimmers with opportunities to swim competitively at local, regional and State level meets.

If you have any questions regarding tennis coaching, contact Mark Robinson 3420 3739 or 0438 911 143.

Location: Citipointe Tennis Courts

Welcome to Dynamic Tennis: Acquiring skills takes place in a game based environment which consists of task completion. Each task provides your child with new challenges and opportunities to further develop their skills and improve the player, with an emphasis on having FUN! Your child will be placed in a group that best suits their ability and age. Upon recognition of sound development, promotion to the next level will be made available when and where applicable. New players are welcome to join training classes without previously participating in any of the programs; an assessment will determine their level.

Mansfield Eagles Soccer Club <http://www.mesc.org.au>

Mansfield Eagles Soccer Club was established in 1992. We are a Christian based club affiliated with the [Queensland Christian Soccer Association](#). Their motto is 'For God Through Sport'. Here at Mansfield Eagles, our aim is to make available to young people (both boys & girls as well as seniors), the ability to play soccer in an environment mixed with fair play, respect, encouragement and team work. Our own motto is 'Skills for Life'.

We believe in building and maintaining Christian characteristics, attitudes, standards of behaviour and sportsmanship that will carry each player through their entire life, not only in the sporting arena, but attributes that will be a positive benefit to each player, their family and the community into the future. Our sponsoring church for membership is Citipointe Church Brisbane.

College
Academy

REACH FOR YOUR GOAL

The College Academy was established in 2004 to assist students to reach for their academic goals. Since this time it has grown in size and caters for Primary and Secondary students requiring individual assistance.

What we offer

Individual tutoring is for students who seek additional support in their academic studies. Some reasons include overcoming difficulties with subject content; reaching towards higher levels; managing time and study skills and improving English language ability. The Academy provides parents with a choice of tutors depending on the student's needs and goals. These include Citipointe alumni, teachers and qualified ESL tutors.

The purpose and goals for individual tutoring are very varied and range from general study support, improving study techniques, assistance with content understanding, catching up where there are gaps in knowledge and pushing upwards for higher grades, for example efforts to move from HA to VHA.

For more information about Individual Tutoring, contact Mrs Colleen Mills, Director of Teaching and Learning, via Secondary Reception.

Outside School Hours Care

<http://brisbane.coc.edu.au/discover-citipointe/outside-school-hours-care/>

Outside School Hours Care provides a safe and fun environment for your children after school as well as during school vacation periods. Children may participate in soccer, football, games, running, dancing, skipping and indoor activities. Outside School Hours Care is managed by Citipointe Childcare and Kindergarten Services.
